

Lynx Marquee Hire Privacy Statement

Lynx Marquee Hire has created this privacy statement to demonstrate the continuing commitment to the protection and privacy of personal information provided by visitors interacting with this website. We consider the privacy of personal information to be of the utmost importance.

Lynx Marquee Hire recognizes the importance of protecting your privacy and this statement is designed to help you understand how we collect, use and safeguard the personal information you may provide us and to assist you in making informed decisions when using our site. Lynx Marquee Hire will continuously assess this statement as business practices change and new technologies come in to use. Changes will be made based on these assessments, so this statement can better serve your needs.

What Information Does Lynx Marquee Hire Collect?

When you visit the Lynx Marquee Hire website there are two methods of collecting user data. The first is personal information you knowingly choose to submit and the second is website use (traffic data) information collected on an overall website visitor basis as you and others browse our website.

Personal Information You Choose to Provide to Lynx Marquee Hire

Submitted Information

When you submit personal contact information to us via our online contact form or email, this is considered to be information about yourself that you have chosen to provide. This may include, but not be restricted to:

Name
Email address
Business or home phone number

Email Correspondence

When you correspond with us through email, we may retain your email address, the messages and our responses. We provide the same protections for these electronic communications that we employ in the maintenance of information received by mail and telephone.

Occasionally, we may also use the information we collect to notify you about important changes to our website, new services, and special offers we think you will find valuable. You may notify us at any time if you do not wish to receive these offers.

Website Use Information

Lynx Marquee Hire uses common website technology to monitor website visitor numbers, as well as page use within the website. Generally speaking this information does not include any personally identifying data. This data is mostly made up of geographical information, ip address, pages visited and time on the site.

IP Addresses

IP addresses are used by a computer every time you are connected to the Internet. An IP address is a number that is used by computers on the network (the internet) to identify your computer as being connected. The IP address of visitors is automatically collected by our web server as traffic data, and is required by the web server so that data (Web pages) can be sent to your computer.

How Does Lynx Marquee Hire use this Information?

This visitor data is used to help us improve our content and the services we offer. The data provided by visitors also helps us to customize our site's content and layout for other lawful purposes such as improving our search engine rankings. At Lynx Marquee Hire we hope these changes improve our site and better tailor it to your needs.

Sharing or Selling Collected or Submitted Information

At Lynx Marquee Hire we do not share or sell any of the information that uniquely identifies an individual that has submitted this kind of data to Lynx Marquee Hire.

except to the extent it is necessary to process a transaction or provide services that you have requested.

Legal Disclosure of Information?

We will disclose information when legally required to do so, or for the protection of our own legal rights. Lynx Marquee Hire will also release information when there is reason to believe that the disclosing of this information is necessary to identify, contact or bring legal proceedings against someone who is believed to be violating our Terms of Service and also to protect the safety of our users and the Public.
